

OPTIONAL UPGRADES FOR ALL TYPES OF CABINERY

Let your *imagination* roam!

[NOTE: If semi-entertaining rhetoric isn't your thing...skip the hype and jump right to our lists of options, below...]
Although, in our effort to entertain...perhaps you might find something inspiring...!

Are you thinking about new custom-crafted cabinets...or maybe cabinet refacing? Are you considering redesigning the look and functionality of your kitchen or bath? Or maybe you want to update or get organized and need custom cabinetry for other areas of your home? What about a custom-designed entertainment center for that flat screen TV? Do your treasured novels and reference books need a custom bookcase...with a storage base? (Hide that clutter behind closed doors! Add roll-out trays for easy access!) What about getting your china out from behind closed doors and on display to view through clear glass-panel doors? (And still dust free!) Maybe you want to finally get your home office organized with a desk system customized to fit your working style? Is your favorite collection of figurines, antique firearms, or circa 1963 Troll dolls still tucked away in some box out in the garage? Well, what are you waiting for? Sit back, close your eyes, and dream a little dream.

- **Are you a no-nonsense, place for everything and everything in its place kind of person?**
- *Or are you the flamboyant type who marches to their own drummer?*
- Do you crave the comfort and warmth of a traditional classic look?
- Maybe you like to set the pace with the newest trends and designs?
- Perhaps you're ~~eclectic~~ and love to **mix** AND *match*?
- Or it's been a long day...you want to shuck the business attire, kick back, relax, and put your feet up in a **down-home, cozy country kitchen.**

Express your special character with a chic custom finish or custom-etched glass doors. Show off your style with the classic elegance of turned or fluted columns, a specialty wine rack, or an exotic wood (how about scorched bamboo or zebra wood?). Or make your life a bit easier with roll-out trays, a slide-out trash container, or a fold-out pantry. Whatever your personality, your heart's desire, we have specialty items to suit you right down to the last detail.

When you're pondering the possibilities, use the host of options in our list to guide your choices. There's a variety of options available for cabinets of all kinds. Find just the right additions to enhance the beauty, the function, and the originality of your cabinets. Express your individuality. Then it's party time...invite friends and family, your neighborhood acquaintances, impress your business associates, show off your exclusive one-of-a-kind creation!

Let's get you all set up. If you have an idea but can't find it in the list, well...that's only because we just can't list all the hundreds of unique items available. Roam around online...find photos you like (just know that custom-built all-wood construction does not compete pricewise with Wayfair or Home Depot...we are so much better, and you get the whole package, designed, built, finished, and installed. No unexpected add-ons. Ask us, we'll be delighted to walk you through the process and help you design your custom cabinets to complement your personality and functional needs.

Peruse our lists of popular interior and exterior options...

Upgrade options are available for both new custom cabinets and refaced kitchens and baths where additions and modifications are almost always possible...Prices vary dependent on size, type, and/or model of the item. All items must be installed with the primary project.

INTERIOR OPTIONS - Here's just a small sampling of what we offer...

- Roll-out trays, 3" high (interior 2-1/2" high), steel ball-bearing full-extension side-mount glides (*not soft close*)
- Extra-deep custom 6", 8", even 10"h roll-out trays, with the same glides as our standard trays (*not soft close*)
- One or more drawer banks with three or four drawers, upgrade to concealed soft-close full-extension glides
- Extra-large pot and pan drawers or vertical holders for pots and pans and all the lids
- Slide-out spice racks/storage containers, slide-out knife blocks with utensil bins, slide-out pantries
- Full-size or half-size fold-out pantries, floor to ceiling pantries (with or without roll-out trays)
- Slide-out 35qt or 50qt trash bins, both sizes available in double or single bin models
- Double-decker silverware drawers with special steak knife storage, vertical tray storage w/metal or wood dividers
- Utensil and peg drawer insert organizers, fabric silverware liners, cosmetic and jewelry drawer inserts for vanities
- Tip-out trays for storing sponges and utensils at your fingertips (*e.g., at sink and cook top*)

(But wait !!! There's more...!)

EXTERIOR OPTIONS - What follows are just a few listings from our vast selection...

*All upgrades are suitable for New and Refaced cabinetry, these custom upgrades are quoted upon request.
Prices are based on design complexity, materials used, and construction details.*

- Premium finishes (e.g., custom colors, color matching, multiple contrasting colors/finishes, hand-glazing and shadowing, hand-distressing, and faux finishes)
- Exotic woods and specialty cuts (e.g., zebra, bamboo, aromatic cedar, etc., rift and quarter sawn wood)
- Specialty glass for door panels and display cabinet side panels (e.g., frosted, seeded, fluted, Flemish, rain glacier, antique, leaf, and glue chip patterns, etc., and custom etched borders, patterns, and text)
- French lite glass panels with single or individual panes in rectangular, diamond, and custom shapes
- Wire mesh, patterned antiqued copper, speaker cloth, or other custom panels for cabinet doors or sides
- Mirror back and side panels for interiors of glass-door kitchen cabinets, display and China cabinets (with custom etching available)
- Extra-deep cabinet over refrigerators (add a roll-out tray for easy access)
- Built-in refrigerator side panels, custom wood appliance front panels
- Add a stylish wine rack in the island, in a special upper cabinet, or next to the under-counter wine cooler
- Flat fluted, quarter-turn, and half-turn columns (e.g., at built-in refrigerator panels, sink base, cook top)
- Flat fluted, quarter-turn, half-turn, and three-quarter-turn columns for islands and other furniture
- Custom-crafted shelving for cabinets or islands (e.g., for books, knickknacks, treasured photos)
- Include the striking detail of classic custom crown molding with finials, dentition detailing, and arched valences.
- Decorative scroll-cut feet and center base-rail supports for cabinets and islands adds elegant whimsy
- Skirt w/tapered, square fluted, or turned column legs for granite extension support at cabinet or island
- Decorative corbels or wood appliques are available in many designs and sizes
- Custom-designed wood vent hood covers, custom wood vent hoods built to fit the vent assembly of your choice

There's even more custom hand-crafted one-of-a-kind options available...
